- Penshurst Place

3 days from £449 Departing 2nd November 2018

Day 1

We depart by private executive coach from our designated pick up point on Ascot High Street, and on arrival in Eastbourne we have a guided tour of the Towner Art Gallery, an award winning contemporary art museum which boasts over 4,000 works by historic, modern and contemporary artists including works by Edward Bawden, Paul Nash, Duncan Grant and Eric Ravilious. We then check in at the 3* Best Western Lansdowne Hotel in Eastbourne for a two night stay. Dinner is included in our hotel this evening.

Day 2

Our Blue Badge guide meets us at our hotel this morning and accompanies us throughout the day. Subject to availability, we visit Firle Place for a guided tour. The home of the Gage family for over 500 years, and set at the foot of the Sussex Downs with its own parkland, this unique house was originally Tudor, and built of Caen stone, possibly from a monastery dissolved by Sir John Gage, friend of Henry VIII. The house contains a magnificent collection of Old Masters paintings, fine English and European furniture and an impressive collection of Sèvres porcelain collected by the 3rd Earl Cowper from Panshanger House, Hertfordshire. On returning to our hotel, we have time to freshen up and change before our coach transfer to Glyndebourne. We will arrive at Glyndebourne in good time for the 4pm performance of Jules Massenet's 'Cendrillon (Cinderella)'. After the performance, we enjoy an included dinner, at one of the excellent restaurants in the complex.

Day 3

After checking out of our hotel and en route home we visit Penshurst Place near Tonbridge in Kent. A 'quintessentially English home' to the Sidney family for over 450 years, Penshurst Place displays much of its original medieval and Tudor buildings and historic garden design.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
